RE	<p>Highly-qualified staff employed in companies (while remaining on salary from the employer). The place is reserved for staff of Helica Srl, based in Amaro (UD). The private company Helica Srl (via F.lli Solari 10, Amaro - UD) has expressed its interest in a PhD position within the ESFM programme (36th cycle) to be offered to one of its employees applying for admission. Since many years, the company works in helicopter transportation, even in complex conditions and in the remote sensing and monitoring in several sectors including street mapping, environmental managing, electrical lines mapping, and mineral resources exploration. The research will focus on implementation and integration of helicopter-borne geophysical techniques (in particular Ground Penetrating Radar - GPR, and magnetic sensors) for geological and glaciological applications. Note: the above company must sign an agreement with the University of Trieste before the candidate's enrolment.</p>
