

SUBMIT A BOOK REVIEW OR CRITICAL EXCHANGE PROPOSAL TO *E&P*

Etica & Politica / Ethics & Politics welcomes proposals for critical exchanges devoted to significant books (to be published in the “Symposium” section of the journal). Large critical notes discussing single books may also be considered (such reviews will be published in the “Varia” section of the journal).

Proposals can be issued by either publishers or authors by sending a hard copy of the book to:

If *E&P* agrees with a critical exchange project, publishers shall be prepared to send hard copies of the discussed volume to all reviewers, provided they do not already have one.

All critical exchange sections shall include a “Reply to critics” by the author.
