

Bucharest Summer University is the official summer school of the Bucharest University of Economic Studies organized annually by the Bucharest University of Economic Studies Students Union (US ASE) and the Students' Senate, with the academic mentorship of one of the eleven faculties from our university. This international cultural and academic event, which will take place between the 11th and the 25th of August, focuses on economic problems and related fields of interest and has as a main objective to promote the common academic values.

This year's theme is "Information and Governance in the Future Global Economy".

The application dead-line for full scholarship is **15th of June** and for partial and full payment is **20th of June**.
